

## Prayer for Vocations

O Saint María Soledad,  
mother of the sick and of the poor,  
your ardent love for God led you to  
dedicate your life to His service  
by caring for the sick.

You so desired many Sisters to join you  
so that the Congregation of the  
Servants of Mary would spread  
throughout the world.

Today we beg you to intercede for  
vocations to the Servants of Mary  
and to continue inspiring young women  
with an eager and determined desire  
to give their lives to the Lord  
in the service of the sick.

Following in your footsteps,  
may they zealously work for the  
salvation of souls and the glory of God  
as courageous and generous  
Servants of Mary.

Amen.
